

SENSE ELECTRIC SAUNA HEATERS

The Sense line-up of efficient electric sauna heaters consists of a comprehensive product range, catering to a multitude of users and applications. With a wide range of power outputs available, along with different physical sizes, the Sense is easily placed in small residential saunas as well as high-traffic commercial and public settings. We have split the Sense family into three groups, Sense, Sense Combi and Sense Commercial.

TYLÖ®

Sense

Sense Sport 2/4 sauna heater

Our newest addition to the Sense range of sauna heaters. This compact electric sauna heater has been designed to suit smaller scale sauna rooms without compromising style, quality and efficiency. Integrated control panel and Thermosafe protective coating allow for easy setting and improved safety.

Sense Sport

The Sense Sport electric sauna heater is available in versions with two different power outputs and may be placed on the floor or on the wall. The control panel is built into the heater and located at its base.

Sense Pure

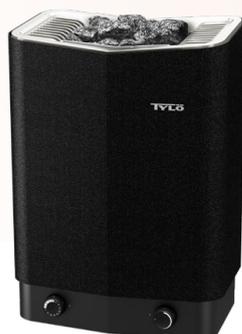

Like the rest of the Sense family of electric sauna heaters, Pure delivers heat fast and efficiently. It is standard equipped with digital touch control panel Pure for ease of use and convenience.

Sense Elite

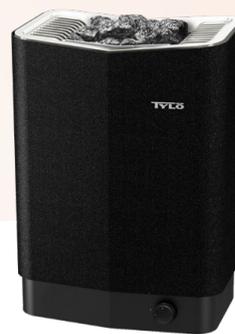

Sense Elite is fitted with a number of smart and patented features and makes a perfect choice for energy efficient sauna bathing. Elite control panel with Wifi connectivity for maximum advantage and comfort is included.

SENSE SPORT 2/4
